This year's annual dinner really is something special. This will be the last Wyre Forest Conservative Association dinner before March 29th 2019 - the day the United Kingdom officially leaves the European Union. Our four-decade relationship with the Common Market, the Single Market and the EU will draw to a close and a new, as yet undefined relationship will start. There's a lot to talk about.

This year, we want to look forward. We want to hear what the world presents for this country and how the Conservative Party will shape that future. So who better to hear from than one of the brightest of our rising stars. James Cleverly, MP for Braintree and Deputy Chairman of the Conservative Party, is an army reservist, a free market advocate, and a Brexiteer. As a thought leader with the Conservative Party, his views on both global Britain and the future of our party will be fascinating.

Come and join us for an evening of intelligent debate, and an opportunity to mark the passing of an era.

Mark Garnier
Member of Parliament for Wyre Forest
