

Dear Resident,

Berenice Dawes has been a Mitton resident for over 14 years. She is married and has two grown up children. She was born in Cookley, where her father was the local police constable.

Berenice has spent most of her working life in the retail sector, spending five of those years locally in Kidderminster for a national retailer. Now, having left retail, Berenice is working for an independent political office and in her spare time likes to get involved with local issues.

Berenice looks forward to serving the constituents of Mitton and Wyre Forest as a whole and, working together with her colleagues, making Stourport a great place to live, work and visit.

Chris Rogers is a committed local candidate who understands the importance of community involvement and will work hard to ensure that taxpayers' money is spent carefully to the benefit of the District.

Chris has been a resident of Mitton for over 30 years; is Cabinet Member for Economic Regeneration and Planning; was former Chairman of the Wyre Forest District Council; represents Stour & Wilden on Stourport Town Council; and is County Councillor for Stourport-on-Severn.

My priorities are:

- ◆ Keeping Council Tax under control and increases as low as possible.
- ◆ Minimising impact on our Green Belt whilst ensuring that we have adequate housing provision.
- ◆ Economic Regeneration.
- ◆ Ensuring that at least 90% of schools are good or outstanding.
- ◆ Protecting vulnerable adults and vulnerable children.

Howard Williams is a retired BT Manager who, although only having lived in Stourport since 2005, now considers it home. He believes that Stourport is a wonderful example of an historic Georgian town with a lot to make it distinctive. Howard wants to see Stourport flourish and be maintained as a great place for residents to live and enjoy. To that end, he is working to ensure improvements are made to enhance the town and its tidiness.

As a District Councillor, Howard has dealt with a wide range of case work including the:

- ◆ planting of bulbs and wild flowers;
- ◆ cleaning of alleyways in the ward; and
- ◆ installation of dog fouling signs.

Howard is committed to ensuring that tax payers' money is spent wisely and to keeping council tax as low as possible. In the past year, Howard has been on the Overview and Scrutiny Committee and Chairman of the Audit Committee. He has also supported the Dementia Café at St Michael and All Angels Church; the Youth Club in the Memorial Hall; the Lickhill Colts football team; and Community Transport.

We believe that 'Politics is about people' and that councillors should be a strong voice for their community all year round, not just at election time.

Please spare just a few minutes on 2nd May, to vote for the three of us, in order that we can be your strong voice.
