

Dear Resident,

Ken and Lin Henderson are part of your Conservative team for the Wyre Forest Ward of Areley Kings & Riverside. Both were born and raised in the district. Ken has lived in Stourport all his life, Lin for the past 59 years. They were married in 1970 and have two children who are now grown up and successful in their own spheres. Having benefitted from living in the area all their life, they are passionate about contributing to the local community. Both serve on Stourport-on-Severn Town Council and have also represented the town as Mayor and Mayoress for 2013–2014 and 2016–2017. They are now retired, but keep active in the community. Ken works as a volunteer community driver and Lin as a domestic help. They have both been involved in several charity ventures raising several thousands of pounds for local causes.

Ken and Lin are committed to the welfare of the community – solving any problems that come their way. Whether it's roadworks, housing problems or just something you feel needs addressing, you can be sure your Conservative team will be there and keep you informed of all developments.

We have shown commitment to the ward by already delivering newsletters to you this year, last year and in previous years on a regular basis – not just at election time. As a result of those newsletters, we have dealt with many of your queries over the years. There is still more to do, and we are committed to helping the community where we can.

Gary Talbot is honoured to have been selected as a Conservative candidate for the Areley Kings & Riverside ward to stand in the Wyre Forest District Council elections in May 2019. Moving to Stourport 50 years ago from the Birmingham area, Gary was educated at Tan Lane Infant School moving on to Lickhill Junior School and Stourport High School.

He has served as a Stourport Town Councillor and was delighted to represent the town as Mayor for 2012–13. Gary has been involved in the Stourport British Legion and Stourport Workmens club and has served the town as a postman for 25 years. Before his employment as a postman he worked in the NHS and a bakery and confectionery business.

Gary believes that Stourport needs a strong voice and feels that he could be that person if elected. He is eager to serve the town again as a councillor, and hopes his previous experience and service to the community will help him to achieve that.

We believe that 'Politics is about people' and that councillors should be a strong voice for their community all year round, not just at election time.

Please spare just a few minutes on 2nd May, to vote for the three of us, in order that we can be your strong voice.

Yours sincerely,

Ken Henderson, Lin Henderson and Gary Talbot
