

Dear Resident,

Steve Walker has lived and worked in the Broadwaters Ward for 11 years serving the community that he is very passionate about. He will continue to support the various local groups within the area that he has already assisted and he is fully dedicated to the Broadwaters area.

Steve and his wife Debbie have been together for 20 years and have three amazing children who have all attended schools within the area. He served 22 years in the Army with 1st Battalion The Worcestershire and Sherwood Foresters Regiment & The Adjutant General Corps (Special Personnel Services) and left with an exemplary colour service record. He then worked at Worcester Acute Trust NHS Foundation Trust as a Care Assistant on Avon 1, then joined West Midlands Ambulance Service where he has gained the grade of Senior Emergency Medical Technician serving the local area and community.

Steve is passionate about everything that affects Broadwaters and has helped many tenants who have contacted him with issues, all of which have been worked on with the assistance of colleagues.

In January 2018, Steve was awarded the British Citizen Award for three decades of volunteering with various groups and organisations that he is dedicated and passionate about and which he helps in his spare time.

Steve has also been a big part of The Horsefair Iconic Clock Project 2017 and will continue to drive the installation of the clock with the various groups when the Churchfields Regeneration project starts.

Steve is asking Broadwaters' residents to continue supporting and trusting in him and allowing him to continue working for you as your District Councillor. Steve is a dedicated, motivated and passionate advocate for Broadwaters. No matter who you are everyone has a voice to be heard and Steve is here to help and support you all.

Yours sincerely,

Steve Walker

Why should you vote for STEVE WALKER?

- ◆ Committed candidate with a passion for Wyre Forest
- ◆ Works constantly for the benefit of local residents
- ◆ Takes part in community events and understands the importance of community involvement
