Use your vote to elect

Owen CAVE

A strong voice for Aggborough & Spennells

Dear Resident,

This election is about you. It's about your family. It's about our community. It's about where we live. And it's about the current District leadership failing to deliver for you.

I grew up in Kidderminster and I have seen many changes to our town centre. Our previous Conservative District Council leaders moved our town forward, secured the demolition of the ugliest building in the Midlands – Crown House, at no cost to the tax payer and successfully secured a bid from the Government's High Street Fund for £20m. But since May 2019, nothing has happened.

Meanwhile, our rural fringes have been unnecessarily attacked. We need new homes, but overly inflated housing numbers, pushed forward by the current District administration of Independents, Labour and Green Councillors, has led to our Green Belt being ravaged in their Local Plan.

Now is the time for change. Now is the time for Conservatives to deliver for Wyre Forest and now is the time to see Aggborough & Spennells represented by a Conservative who puts you first at Wyre Forest District Council.

Please spare just five minutes to vote in these important local elections.

Yours faithfully,

Owen Cave

The Conservative Party Candidate for Aggborough & Spennells

Together we can and will bring pride back to our community. Focusing on what is important to you.

As Conservatives we will safeguard what is important to you and our communities.

Return of Cultural Events

Conservatives pledge to invest in our parks and open spaces neglected by the current administration, and to restore lost cultural events for residents and children.

Accessible Council Services

We commit to keeping open door services for local people who require access at Wyre Forest House and The Hub. Ensuring services are accessible for all.

Protecting Our Environment

We are dedicated to tackling environmental damage such as fly-tipping. As Conservatives we pledge to double the number of Environmental Protection Officers.

Plan For Wyre Forest

Scan for full manifesto

1 Double our Environmental Protection Officers

We will increase the number of Environmental Protection Officers from two to four to tackle littering, fly-tipping and dog fouling.

2 Increase the number of Civil Enforcement Officers

Increasing our Civil Enforcement team from six to seven will enable us to better deal with illegal parking on our estates and in our villages.

3 Invest in our parks

Work with parish and town councils to safeguard the future of our much-loved local parks and open spaces.

4 Working collaboratively with the Town Council

Work hand-in-hand with our parish and town councils to improve local services important to you.

5 Scrap evening car parking charges and reintroduce free car parking

End parking charges after 6pm; restore one-hour free parking to one car park in each of our three towns; and reduce the cost of annual car parking permits for over 65s.

6 Redevelop Worcester Street and the former Glades site

We will demolish empty shops on Worcester Street in Kidderminster and support the development of housing and apartments here and on the former Glades site.

Wyre Forest Conservatives' exciting plan to bring energy, compassion and enthusiasm back for our District.

What is at stake in Aggborough & Spennells at this election?

Together we can make a difference with real progress for Aggborough & Spennells. **So for a strong and effective local Councillor who will get things done, vote for Owen Cave on Thursday, 4th May**

Regenerating Our Town Centre

We support the economic regeneration of Kidderminster town centre. The Conservative Government allocated WFDC back in 2020 £20 million from the Future High Streets Fund which was an application submitted back in early 2019 by the then Conservative-led WFDC. We feel that the Labour/Green/Independent-led Council has not delivered on this project quickly enough and that it is essential that the redundant brownfield sites in the town centre are redeveloped.

The Conservatives successfully negotiated and agreed the demolition of Crown House by the owners at no cost to the tax payer.

Team Works Pays

Working with fellow Conservative County Councillors ensures that concerns are actioned quickly across the two levels of Local Government.

Owen has been involved in the local community for many years working with groups for people with learning disabilities to ensure that their voice in the community is heard. He fully believes that together is better when it comes to action.

Owen is regularly out with County Council colleagues in the ward.
